Subject: ACTION RE: California v. EPA FOIA Litigation Production Due Feb 27

You have been identified as a custodian of records responsive to the California v. EPA FOIA litigation. In preparation for our next production in California v. EPA, I am attaching the proposed production of records responsive to portions of the FOIA request. We have an agreement with Plaintiffs to provide rolling productions of records monthly, the next production is due on **March 5, 2018**. This agreement was adopted by the Court.

There are 70 documents proposed in this release, 17 release in full and 33 release in part. An additional 20 records will be withheld in full.

Please send me any questions via email, referencing the document ID, by February 27, 2018 to allow adequate time before the March 5 production deadline. I will send a reminder on Monday February 26, 2018.

Thank you,

Joan G. Kaminer
